

Customer Declaration

This declaration must be read and signed before a claim can commence on your behalf.

You are reminded that you are not required to use Investor Compensation (UK) Limited T/a PCP-Claimback.co.uk to carry out your compensation claim regarding a mis-sold car finance agreement against a third party.

You can present this claim for free by contacting your lender/provider, etc. If unsuccessful, you may be able to pursue your claim using the Financial Ombudsman Service (FOS) or the Financial Services Compensation Scheme (FSCS). Alternatively, you could instruct another claims management company or a solicitor to act on your behalf.

I acknowledge that I could pursue a claim on my own for free, but I have chosen to instruct Investor Compensation (UK) Limited to act on my behalf.

I understand I will have to pay Investor Compensation (UK) Ltd a fee if my claim is successful.
